

Professional Reference Letter

To whom it may concern,

I am pleased to recommend Mr. Jesus Alfaro, who worked under my supervision as a Mate/Deckhand.

During his time onboard, including recent day trips in Fort Lauderdale, Jesus consistently demonstrated a strong work ethic, reliability, and a positive attitude. He is highly capable in all aspects of deck operations, including washdowns, line handling, general maintenance, and assisting with vessel upkeep to a high standard.

He works well both independently and as part of a team, takes initiative when required, and adapts quickly to new environments and challenges. Jesus is also comfortable working long hours in demanding conditions and maintains a professional attitude at all times.

In addition to his deck skills, Jesus holds an Officer of the Watch (OOW) certification, which supports his ability to take on greater responsibility and progress into Mate roles in the future.

He is respectful, well-presented, and easy to work with, making him a valuable asset to any crew.

I have no hesitation in recommending Jesus for any future mate/deckhand position and believe he will be a strong addition to any vessel.

Please feel free to contact me for any further information.

Kind regards,

Captain Sylvester Moise
