PROFESSIONAL PROFILE

Licensed OOW Unlimited with DP-certified offshore experience transitioning intentionally into the superyacht sector.

Calm under pressure, decisive, and highly adaptable, seeking a position on an active charter yacht to contribute to a safety-driven bridge team while building yacht-specific operational experience.

Committed to building a long-term career within the superyacht industry, with the ambition to grow through the officer ranks based on performance, leadership, and dedication.

PROFESSIONAL MARITIME BACKGROUND

Dedicated and disciplined Deck Officer with progressive DP-certified offshore experience supporting major international energy operators, including Chevron, Saipem, and Pemex.

BRIDGE & NAVIGATION EXPERIENCE

HF Offshore / Harren & Partner

DP2 Offshore Support & Diving Vessels | Operational Area: the Caribbean, West Africa, and the Gulf of Mexico

2023 – 2025 | 3rd Officer → 2nd Officer / DPO

Key Bridge Responsibilities:

- Navigational watchkeeping in heavy traffic and restricted waters
- Passage planning and chart corrections (ECDIS & paper charts)
- Bridge Resource Management within multicultural bridge teams
- Collision avoidance and COLREG application
- GMDSS communications and safety reporting
- Safety equipment inspections and emergency preparedness
- Support for dynamic operations requiring high situational awareness
- Safety compliance and operational efficiency during diving and subsea operations.

YACHTING OBJECTIVE

Seeking a position on a professional charter or private yacht to transition into the superyacht industry, contributing strong navigational discipline and safety culture while developing yacht-specific operational experience.
